

**NOTCH & STEM CELLS**  
**3 October – 7 October 2010**  
**Athens, Greece**

*Presentations at the Notch Meeting may not be considered as published scientific papers and may not be cited or reported in the press except as personal communications (with the presenter's permission). Given these assurances we hope you will speak openly and not introduce any data or experiments that you are not prepared to discuss in full. In participating in the conference you agree neither to record presentations or posters by electronic or photographic means, nor to make printed references to The Notch Meeting presentations, posters and discussions. You will also agree to omit references to The Notch Meeting from any publication.*

***Because of the nature of the conference, we would appreciate it if participants would remain for the entire length of the proceedings.***
